

Frequently Asked Questions

- **How do you keep the Pinkberry cold?**
We bring the pre-swirled Pinkberry to you in branded, insulated coolers. There is dry ice in the coolers that keep your Pinkberry chilled to the perfect temperature.
- **What is the difference between Full Service and Drop Off?**
Pinkberry has 2 kinds of Catering Options – Full Service and Premium Drop Off. For both options your Pinkberry is swirled fresh right before your event in the sizes and flavors you choose. We usually bring 8 topping choices – we recommend 4 fruit and 4 dry toppings. For Full Service our Team Members stay at your event to top and present each Pinkberry to your guests just like we do in the store. For our Premium Drop-Off, Team Members set-up your Pinkberry and toppings in a designated area and your guests will top their own swirly masterpiece.
- **What kind of events can Pinkberry cater?**
We can cater just about any event – Weddings, Bar/Bat Mitzvahs, Corporate Events, School Events, Premieres, Wrap Parties, Craft Services, Employee/Client Appreciation Events, Holiday Parties, Private Dinners...You name it!
- **What do I need to do to get ready for Pinkberry at my event?**
When we get to your event location we need a 6 foot table or as much table space as you can give us so that we can set up your toppings. If it is a Full Service event we also need a place behind or near the 6 foot table to store our insulated coolers.
- **How do I know what flavors and toppings to choose for my guests?**
Start by choosing your favorites and remember to get a variety. Our Pinkberry Team Members can also help you to create a great mix that everyone will enjoy!
- **What if I don't live near a Pinkberry? Can Pinkberry still cater my event?**
Although there are many Pinkberry locations, there may be places that Pinkberry Catering can't reach yet. We want to ensure that when we Swirl Pinkberry to you that we have maintained the integrity of the product so that you have the one of a kind experience you are used to. If you are too far away from a Pinkberry store, the yogurt may suffer in transport and we only want to deliver uncompromising quality to you. However, we can deliver to Long Island, the Hamptons and into New Jersey
- **Can Pinkberry bring a machine to the event?**
Yes! Depending on the size of your event, we have the ability to swirl the Pinkberry goodness right at your event, so if you are interested just let us know and we'll determine if we are able to swirl on site and give you additional pricing details.
- **How much does it cost to have Pinkberry cater?**
Services and prices may vary by event. So that we can give you the best information for your event, complete the request form for Full Service or Drop-Off online at Pinkberry.com/catering or just send me an email at - gsobel@4sunkids.com
