

## SAMPLE BIRTHDAY POEM:

Jane you're like a magnet;  
People always want to be around you.  
Whenever someone is blue, you're the one they turn to.  
You're sensitive and kind; as a friend you're quite a find.  
The question on the tip of everyone's tongue  
Is how do you manage to look so young,  
And how do you maintain your 105 pounds  
When there are so many 5 pound lobsters in your body swimming around?  
Bob and you immediately knew that together you belong,  
And your marriage is very strong.  
It's amazing that 4 kids came out of that bod  
That looks so youthful and thin as a rod.  
Sometimes Bob won't want the same thing you do,  
But in your gentle feminine way, you know just what to say,  
And, after your gentle coaxing, a party in your home you're hosting!  
The best thing is, Bob thinks the idea was his!  
You always look very chic from your head to your feet;  
It would be hard to look "hootchie kootchie"  
Only wearing Hermes and Gucci!  
There are so many wonderful things to say about you,  
As a wife, mother, daughter and friend, "you're too good to be true."  
We love you and to our terrific friend we want to say...Happy Birthday!
